
TO OUR BELOVED FRIENDS IN THE WEST

EXECUTIVE VISIONING GROUP

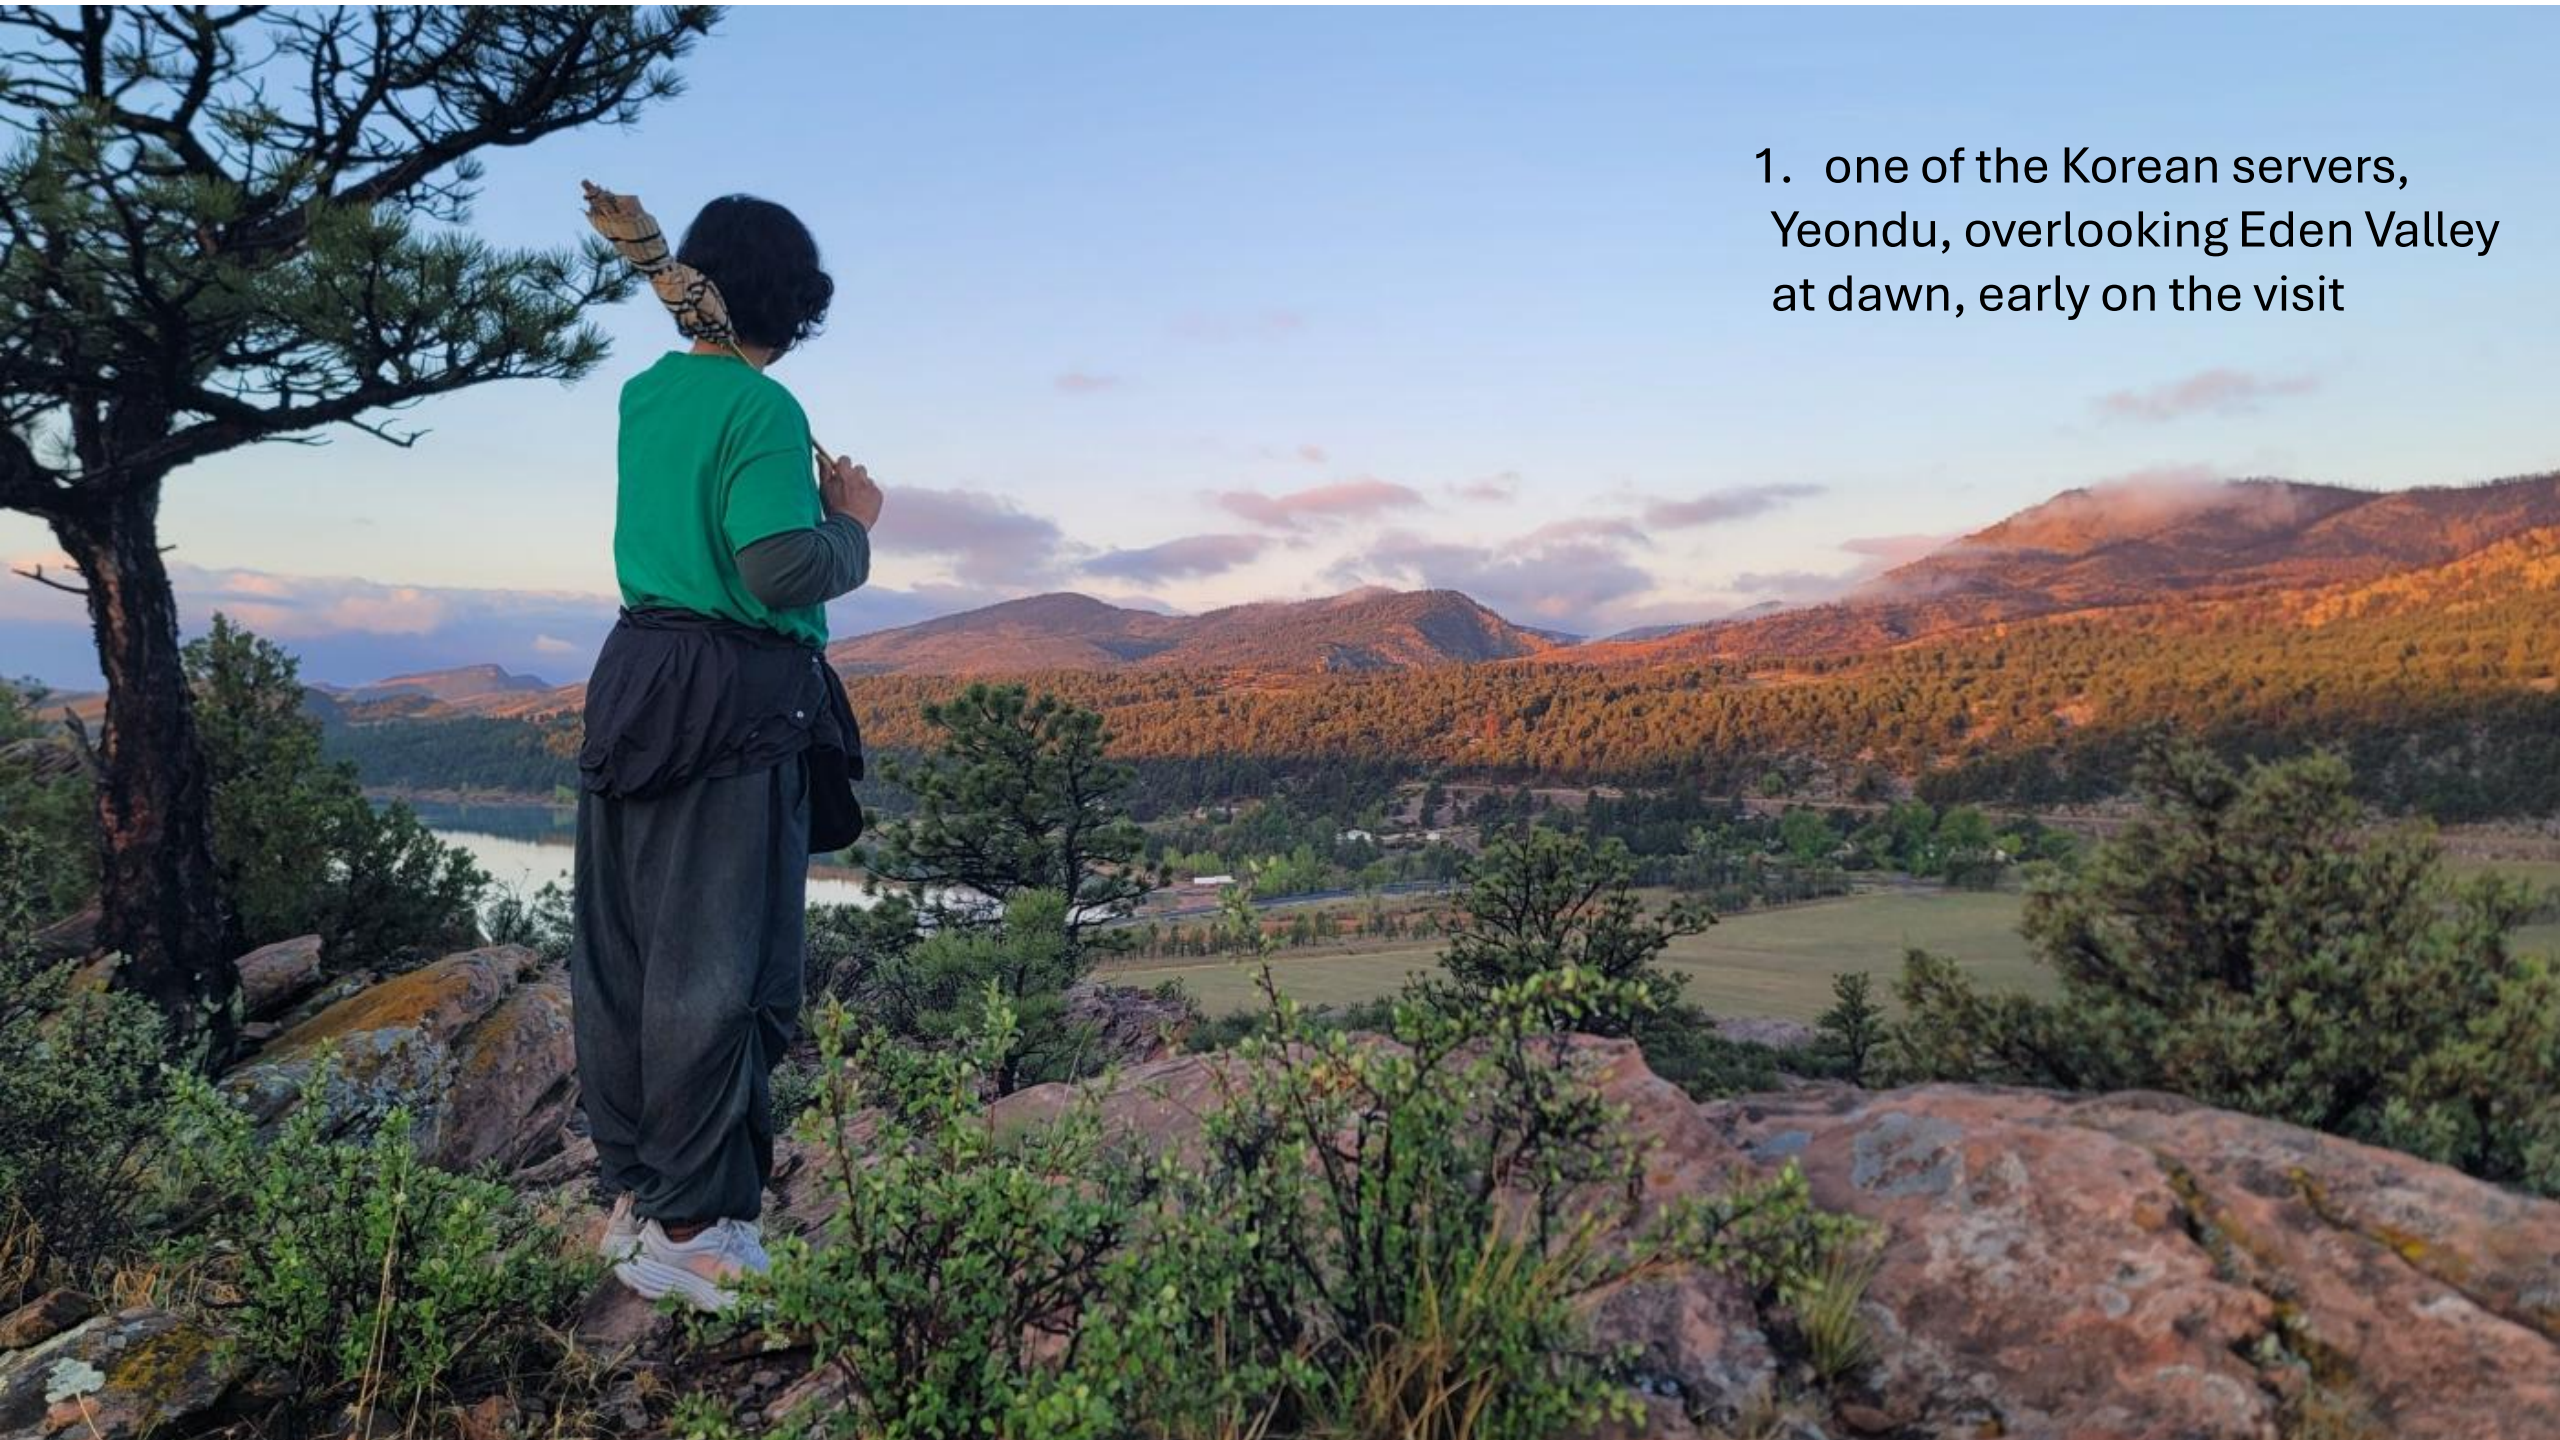

We are delighted that Korean server-leaders will be visiting Sunrise Ranch in May for two weeks, our first visit in over 20 years. We do so in building upon the Lineage of Light brought by Uranda and Martin and continued by many other noble servers. We are profoundly grateful to the selfless service of many who have gone before us and offer our visit, our love and service, in magnification of that noble spirit.
